After declaring a quorum present, Chair Walker called the meeting to order at 1:30 p.m.

MINUTES

On **MOTION** of **Dillard**, the Board voted 5-0-0 (Walker, Tyndall, Dillard, Hutson, Charney "aye"; no "nays"; no "abstentions"; no "absences") to **APPROVE** the Minutes of June 21, 2005 (No. 301).

Case No. 2161

Action Requested:

Variance of the maximum square footage allowable for accessory buildings in an RS district (Section 240.2.E), located: 7105 West 1st Street South.

Presentation:

The applicant was not present. The Chair stated the case would be heard later on the agenda if the applicant arrived.

Case No. 2166

Action Requested:

A Variance of the required 30 foot minimum frontage on a public street or dedicated right-of-way to 0 feet to allow access by a private easement (Section 207), located: 2012 East 207th Street South.

Presentation:

Lou Reynolds, 2727 East 21st Street, requested to continue to next month. The parties that met worked very hard to work out an easement with maintenance provisions. He just received it on arrival and has not had an opportunity to review it thoroughly. The marital status was not shown in execution and that could lead to problems.

Interested Parties:

Nancy Batt, HC63 Box 196, Eufala, Oklahoma, was opposed to a continuance. She was not opposed to the application. She expressed how her case, CBOA Case No. 2167) was related to this case and she could not afford to have the cases continued.

Comments and Questions:

Mr. Charney explained to Ms. Batt that it is commendable that all parties came to an agreement on the mutual access easement and worked so hard to document it. He stated there were some technical issues that could impair title to all the properties involved, and that the mutual access easement would have to be fine-tuned before being submitted.

Board Action:

On **Motion** of **Hutson**, the Board voted 5-0-0 (Walker, Tyndall, Dillard, Hutson, Charney "aye"; no "nays"; no "abstentions"; no "absences") to **CONTINUE** Case No. 2166 to the meeting on August 16, 2005, on the following described property:

NEW APPLICATIONS

Case No. 2165

Action Requested:

Use Variance to permit a welding shop (Use Unit 25) in an AG zoned district, located: 21902 West 8th Street.

Presentation:

Glenn Mayor, stated the address was changed from the one on the agenda to 913 South 221st West Avenue. He informed the Board he wanted to use his property for a welding shop. He submitted a site plan, photographs and a petition (Exhibits A-1, A-2 and A-3). He found the neighbors were in support. The shop is near a dead end and would not cause much traffic.

Comments and Questions:

In response to questions, Mr. Mayor replied that he has one employee on a part-time basis. He has one saw that causes some noise. There is a lot of highway noise already. The shop is 40' x 75'. He stated that 90% of his materials are going to be inside the shop. At that time he informed the Board he had materials in two semi-trailers on the property and some on the slab of a previous house. He added that he plans to clean it up and make the place look nice. He averages about four customers per week.

Mr. Alberty cautioned the Board that this type of use tends to grow and set a precedence for similar uses.

Interested Parties:

There were no interested parties who wished to speak.

Board Action:

On **Motion** of **Charney**, the Board voted 4-1-0 (Walker, Tyndall, Hutson, Charney "aye"; Dillard "nay"; no "abstentions"; no "absences") to **APPROVE** a **Use Variance** to permit a welding shop (Use Unit 25) in an AG-zoned district, subject to conditions: no outside storage; all work inside building, no signage to advertise or direct customers to the business; limited to one employee; hours of operation limited to daytime hours; and approval limited to five years; per plan, finding the hardship to be it is located next to gas storage tanks and a busy highway, on the following described property:

Special exception to allow a church and accessory church uses in an RS district (Section 410), located: 4329 West 61st Street South.

Presentation:

Rome Pate, 3117 Bahama, Sand Springs, Oklahoma, proposed to build a 5,000 sq. ft. church with a 2,000 sq. ft. sanctuary. The land is vacant and they have cleaned up where people have dumped items.

Comments and Questions:

Mr. Walker informed Mr. Pate they would need a plat. Mr. Pate informed the Board the commercial property on the west is undeveloped and up for sale. The Board members advised him there are several reviews, regulations to follow, and this is just a first step in the process.

Interested Parties:

There were no interested parties who wished to speak.

Board Action:

On **Motion** of **Hutson**, the Board voted 5-0-0 (Walker, Tyndall, Dillard, Hutson, Charney "aye"; no "nays"; no "abstentions"; no "absences") to **APPROVE** a **Special Exception** to allow a church and accessory church uses in an RS district (Section 410), subject to a plat, as presented, on the following described property:

Interested Parties:

There were no interested parties who wished to speak.

Board Action:

On **Motion** of **Hutson**, the Board voted 5-0-0 (Walker, Tyndall, Dillard, Hutson, Charney "aye"; no "nays"; no "abstentions"; no "absences") to **APPROVE** a **Variance** of the allowable size for an accessory building in an RS zoned district to permit a 1,280 sq. ft. building (240.2.E), finding this is a large tract of property and by reason of this exceptional condition, which is peculiar to the land involved, the literal enforcement of the terms of the Code would result in unnecessary hardship; that such exceptional conditions do not apply generally to other property in the same use district; and that the variance to be granted will not cause substantial detriment to the public good or impair the purposes, spirit, and intent of the Code, or the Comprehensive Plan, on the following described property:
