HEARING DATE: 03/20/2018 1:30 PM

APPLICANT: Signature Series Homes

ACTION REQUESTED: Variance to allow an accessory building to be built in the side yard. (Section 420.2)

LOCATION: 6108 E 127 PL N

ZONED: RS

PRESENT USE: residential

TRACT SIZE: 25,949 SF

LEGAL DESCRIPTION: LOT 5 BLOCK 3, CARRIAGE PARK, Tulsa County, State of Oklahoma

RELEVANT PREVIOUS ACTIONS:
None relevant.

ANALYSIS OF SURROUNDING AREA: The subject tract is abutted by RS zoning on the north, south and east; AG zoning abuts the site on the west.

STAFF COMMENTS:
According to the site plan the applicant intends to construct a 24' x 30' or 720 sq. ft. storage/garage building in the side yard of the existing house on the site. Section 420.2 states that a detached accessory building shall not be in the front or side yard or encroach upon a minimum setback line. To permit the storage/garage building as proposed the applicant has requested a Variance to permit a detached accessory building to be located in the side yard area, east of the existing house. The applicant provided the statement: "The slope of the lot will not allow for the garage to be placed in the rear yard."

Sample Motion:

"Move to ________ (approve/deny) a Variance to allow an accessory building to be built in the side yard. (Section 420.2)

Finding the hardship to be ________.

Finding by reason of extraordinary or exceptional conditions or circumstances, which are peculiar to the land, structure or building involved, the literal enforcement of the terms of the Code would result in unnecessary hardship; that such extraordinary or exceptional conditions or circumstances do not apply generally to other property in the same use district; and that the variance to be granted will not cause substantial detriment to the public good or impair the purposes, spirit, and intent of the Code, or the Comprehensive Plan."

HEARING DATE: 03/20/2018 1:30 PM

APPLICANT: John Jarrett

ACTION REQUESTED: Use Variance to allow (Use Unit 23) storage of personal items (Section 410) to allow construction of a pole barn in an RE district without a principal residential structure present;

LOCATION: W of the NW/NE of W 51st St. and S 162nd W Ave.

PRESENT USE: Vacant

ZONED: RE

TRACT SIZE: 75.87 acres

LEGAL DESCRIPTION: SW LESS W1210 & LESS E/2 SE SW SEC 30 19 11 75.87 ACS, Tulsa County, State of Oklahoma

RELEVANT PREVIOUS ACTIONS:
None relevant.

ANALYSIS OF SURROUNDING AREA: The subject tract is abutted by RE zoning on the north, and west; AG zoning abuts the site on the south and east.

STAFF COMMENTS:
The applicant is before the Board requesting a Use Variance to allow storage of personal items (Use Unit 23) in a 50’ x 52’ building on the subject site. The applicant is proposing to construct a 2600 sq. ft. storage building on the site for storage of farm equipment and other personal items. The applicant provided the following statement: “I have no intention of developing this property beyond my own personal use. To my knowledge there are no other properties of this size in the immediate vicinity that bear the trait of being zoned residential”

A Use Variance is required because a principal storage use (Use Unit 23) is a use that is prohibited in the RE district. The Code requires that uses included in the Use Unit 23, when located on a lot abutting an R district be screened from the abutting R district by a screening fence or wall along the lot line(s) in common with the R district.

The Board may consider any conditions it deems necessary and reasonably related to the request to ensure that the proposed use is compatible with the surrounding neighborhood. If inclined to approve the Board may consider the following conditions:
- Outside storage on the lot is prohibited.
- There is to be no rental to third parties for storage uses on the lot.
- The lot and building are to be used by the owner of record for storage of personal items.

Sample Motion:
"Move to ________ (approve/deny) a Use Variance to allow (Use Unit 23) storage of personal items (Section 410).

Finding the hardship to be ________.

Finding by reason of extraordinary or exceptional conditions or circumstances, which are peculiar to the land, structure or building involved, the literal enforcement of the terms of the Code would result in unnecessary hardship; that such extraordinary or exceptional conditions or circumstances do not apply generally to other property in the same use district; and that the variance to be granted will not cause substantial detriment to the public good or impair the purposes, spirit, and intent of the Code, or the Comprehensive Plan."

I just spoke with you on the phone, I would like to say that while I have no problems with a building for storage of personal items, I would have a big problem with one for commercial use.
Thank you for your time.

HEARING DATE: 03/20/2018 1:30 PM

APPLICANT: James Baird

ACTION REQUESTED: Variance of the frontage requirement on a public street/dedicated right of way from 30 ft. to 0 ft. (Section 207).

LOCATION: 4443 W 42 ST S  ZONED: RS

PRESENT USE: Residential  TRACT SIZE: 3.17 acres

LEGAL DESCRIPTION: S146.4 BLK 2 & ALL BLK 3, BRIDGES PARK, Tulsa County, State of Oklahoma

RELEVANT PREVIOUS ACTIONS:

ANALYSIS OF SURROUNDING AREA: The subject tract is surrounded by RS zoned lots.

STAFF COMMENTS:
According to the attached survey the existing site does have frontage onto W. 42nd St. S. a public street maintained by the County and S. 45th W. Ave. a public street not maintained by the County. The applicant is proposing a lot split as shown in Exhibit 1, the proposed Tract 2 will have frontage along S. 45th W. Ave. a public street not maintained by the County. The Code requires owners of land utilized for residential purposes to maintain 30 feet of frontage on a public street maintained by Tulsa County.

To permit the lot split as proposed the applicant is before the Board requesting a Variance of the minimum frontage requirement on a public street or dedicated right of way from 30 ft. to 0 ft. For the Board’s review the applicant has submitted a comment from Tulsa County verifying that applicant has legal access to S. 45th W. Ave. a public easement.

Sample Motion:

"Move to ________ (approve/deny) a Variance of the frontage requirement on a public street/dedicated right of way from 30 ft. to 0 ft. (Section 207).

Finding the hardship(s) to be ________.

Finding by reason of extraordinary or exceptional conditions or circumstances, which are peculiar to the land, structure or building involved, the literal enforcement of the terms of the Code would result in unnecessary hardship; that such extraordinary or exceptional conditions or circumstances do not apply generally to other property in the same use district; and that
the variance to be granted will not cause substantial detriment to the public good or impair the purposes, spirit, and intent of the Code, or the Comprehensive Plan.”

Nikita—

This is in regard to LS-21105, an action requested by Jim Baird. Mr. Baird’s property is accessible via a platted public easement which fronts a County-maintained road. We have no objection to his 0’ frontage variance request.
