Presentation:

Carl Hopkins, 4105 E. 21st St., stated he wants to construct a pole barn to replace a dilapidated old barn. He did not realize he needed a permit. He plans to put hay in it for his horses. He added he has a couple of classic cars he would like to put in the barn

also. He submitted photographs (Exhibit A-1) of the property. He stated he is in the process of cleaning up the property and would like to finish the barn he started. He added that no electricity would be hooked up to the barn.

Comments and Questions:

Mr. Alberty noting it would be larger than permitted under the code, if any business or industrial enterprise would be conducted there. Mr. Hopkins replied there would not be any business activities there. Mr. Alberty asked about the inventory of classic cars. Mr. Hopkins replied there would be three to four cars maximum.

Interested Parties:

Otis M. Baker, 4315 W. 41st, stated he is opposed to the application. He informed the Board there are 12 to 15 automobiles on the property, some are inoperable and have been there for several months. He felt that if they have not moved the automobiles since the inspector dealt with the applicant about cleaning up the property, then he probably won't do it voluntarily after he gets the variance.

C.L. Taylor, 4112 S. 41st W. Ave., stated he opposed the application. He stated one pick up truck has been in the driveway for at least ten years, and numerous junk cars. He submitted photographs of the subject property (Exhibit A-3).

Doug Scott, 4305 S. 43rd W. Ave., complained of multiple inoperable automobiles on property for several years. He added that it appears someone is living in a travel trailer on the property. He questioned why the building needs to be so large if there are only three or four cars.

Dean Ledbetter, 4243 S. 43rd W. Ave., stated his opposition because the property looks like a salvage yard.

Peggy Barnes, 4102 S. 43rd W. Ave., stated that in the few decades she has not seen any improvement on the property.

Joan (Inaudible), 4111 S. Quaker W. Ave., stated her opposition, indicating the subject property depreciates surrounding property.

Eric Sanchez, 3991 W. 41st St., submitted photographs (Exhibit A-2). He described the existing structures as poorly maintained, citing no paint, rotting wood surfaces, shredded black plastic used for a privacy fence. He questioned the sewage system, and the source of electricity.

Randi Miller, Tulsa County Commissioner, 6924 S. 32nd W. Ave., stated the building would be twice the maximum size permitted. The area is in transition as the residents are improving their properties.

Comments and Questions:

Mr. Alberty asked Terry West if a cease and desist order was issued. Mr. West stated he told the applicant he would wait until after the hearing today since Mr. Hopkins said he would put six or seven of the cars in the new building.

Applicant's Rebuttal:

Mr. Hopkins reassured the Board that he is trying to improve the property.

Comments and Questions:

Mr. Alberty acknowledged the applicant's intentions to improve his property. He asked what kind of sewage system he has. Mr. Hopkins replied he has a septic. Mr. Alberty asked the source of his electricity. Mr. Hopkins replied he has PSO service. Mr. Alberty asked how long it would take the applicant to remove all of the inoperable vehicles. Mr. Hopkins responded it would take 30 to 60 days with good weather. Mr. Walker asked about person living in the trailer. Mr. Hopkins replied it is a family friend is living there on a temporary basis. Mr. Walker also asked if the old barn and sheds were to be removed. Mr. Hopkins stated that the sheds are already removed and the old barn will be removed after the new one is built.

The Chair recognized an interested party. Ms. Peggy Barnes, 4102 S 43rd W. Ave., questioned if the property is zoned AG. Mr. Alberty replied it is zoned residential.

Mr. Alberty noted there were numerous interested parties present that did not wish to speak.

He added that some septic systems in the area do not work well.

He noted that on 107th Street there are numerous one acre lots for sale.
