Case No. 2046

Action Requested: Special Exception to modify a previously approved condition to extend time limit from two years to five years. SECTION 1202. USE UNIT 2. AREA-WIDE SPECIAL EXCEPTION USES – Use Unit 2, located 524 N. 49th W. Ave.

Presentation: Randy Coleman, 4114 N. 37th W. Ave., stated his request for an extension of the time limit to five years for a fireworks stand.

Comments and Questions: Mr. Alberty asked how this season went to which Mr. Coleman replied that it went well with no complaints.
Interested Parties:
Jackie Shamal, stated she represented her mother-in-law, who lives on an adjacent lot. Mr. Coleman promised them there would not be a portable toilet, and the grass would be mowed. She complained that he did not keep either promise and fireworks trash was left on the property. The main complaint is that she made a verbal agreement with Mr. Coleman to purchase the subject property this year. He has not been in touch with her since the agreement. Now she is very confused since he is asking for a five-year extension. She submitted photographs of the property (Exhibit A-1).

Applicant’s Rebuttal:
Mr. Coleman responded that initially he had planned to run the fireworks stand but was not able to, so he leased it to Big Blast Fireworks. He stated he was not aware of the portable facilities. He considered the agreement to still be on but he was waiting until after the holiday. He added that his sisters are part owners and he was waiting for them to get back in town. Mr. Coleman stated there was another party interested in purchasing the property. He was not sure she still wanted it but he did promise her the first opportunity.

Board Action:
On Motion of Tyndall to APPROVE, the motion DIED for lack of a second to the motion.
